

The Cooperative Organization

Each of the more than 6,000 grower-members of Sunkist Growers, Inc. is also a member of a member local association or district exchange. Packing and shipping facilities are provided to growers either by local associations or by nonmember licensed packers authorized by Sunkist Growers, Inc. and the applicable district exchange to perform that service.

On October 31, 2007, the district exchanges and local associations together with the licensed packers were:
